This notification is to inform everyone including parents, students, and staff. Policy updated and implemented in 2017 and under goes a triennial assessment. Policy contains information on school related wellness and nutrition. The position/person responsible for managing the triennial assessment and contact information is Carol Tompkins, Nutrition Director. The local wellness committee, in collaboration with individual schools, will monitor schools' compliance with this wellness policy. The District will actively notify households/families of the availability of the annual and triennial progress reports. The District is committed to being responsive to community input, which begins with awareness of the wellness policy. Notifications ensure that all families are actively notified of the content of, implementation of, and updates to the wellness policy, as well as how to get involved and support the policy. The District will ensure that communications are culturally and linguistically appropriate to the community, and accomplished through means similar to other ways that the district and individual schools are communicating important school information with parents. The District will actively notify the public about the content of or any updates to the wellness policy annually, at a minimum.
