

	<b>Huron School District #2-2</b>	Code: CHA Regulations and Policy Dissemination
	Policies and Regulations	

**REGULATIONS AND POLICY DISSEMINATION**

The Superintendent will establish and maintain an orderly plan for making policies and regulations known to all staff members, students and the public. A policy or regulation concerning a particular group or groups in the schools will be distributed to the group(s) prior to the effective date of the regulation.

The Superintendent will also provide easy access to an up-to-date collection of Board policies and regulations for all employees of the school district, members of the Boards and the community at large. This may be a current reference document on the School Board page on the district website.
