Presented to School Board:
Head Coaches,
I have visited with Mr. Nebelsick about summer workouts. We want each coach to submit their summer workout plan to me. I will send each plan to Mr. Nebelsick and Mr. Radke. We will decide if the plan is approved, rejected or needs modification.

Contact with your groups will be considered on a case by case basis beginning with a June contact date. All those activities will need to be approved by Mr. Nebelsick, Mr. Radke and myself prior to them beginning. Steps will need to be taken to ensure CDC guidelines will be maintained before, during and following any of these scheduled activities.

Some of the primary considerations that need to be taken include are:
- Anyone who is not feeling well should NOT attend.
- Practice safe social distancing — stay at least 6 feet apart including coaches or you risk being quarantined if someone gets the virus.
- No more than 12 people at any time in enclosed spaces — this maximum number may be increased in outdoor environments as long as proper social distancing can be maintained — that doesn’t mean we can take 50 kids to Tiger Stadium and spread them out. We still need to keep numbers in a manageable group, probably no more than 20-25 in outdoor settings.
- Wash hands frequently.
- Clean and disinfect any equipment that has been used between each session. Have the athletes help with this process.
- No activity will be allowed where there is direct physical contact (no scrimmages, no team camps, no 1-on-1 drills, no stunting, etc)

All activities will be fully volunteer — there will be no attendance expectation.

We will reassess workouts and the pandemic situation in June to see if we can expand the July schedule following the SDHSAA moratorium July 1-7.

Someone needs to send me a new plan for T3. Obviously, we can’t run 90 minute sessions since only 12 can attend per session. (We need to expand the number of sessions available.) I want kids working in groups of three so the spotters are on the outside and looking down on the person doing the lift. My thought is schedule should be every hour with cleaning the last 10 minutes of each session so may need sessions at 6:00/7:00/8:00/9:00/10:00 am. This would be enough for 60 athletes (12 x 5 sessions for 50 minutes). When the session ends, they can go outside and work on their speed and agility.

Make sure all plans include notation that you have parental approval to be involved. Parents must also understand if athletes are working in clusters of three, they will be the same three athletes every day.

To run an elite program it is imperative that our players work on individual improvement. Through individual improvement each player will become more confident in his/her abilities to perform at the highest level. We will have a coach working with you on ground strokes, overheads, volleys, serves, and footwork. Bring a great work ethic and attitude to each session.

**Dates/Time:** Beginning June 9th (tentative)  
*June and July: Tuesday and Thursday mornings*  
**Sessions:** 8:30-9:30 9:30-10:30 10:30-11:30

- Coaches will divide the boys into groups for the different sessions.
- There will be a maximum of 16 boys in a session. Groups will remain the same throughout the summer.
- Two boys will be on each court. This will consist of singles play or drills with one of the coaches.
- Rules will be implemented to help maintain social distancing and follow CDC guidelines.

An announcement will be made as soon as possible, if workouts are cancelled or moved to a different day.

Hello, Coach and Darla--

Here is the current summer plans for Huron Tiger VB. Regarding the Huron VB Academy...I want to reassure you that we here at the NCR are following strict guidelines handed down by the CDC, City of Huron as well as other groups in the Fitness/Wellness Centers industry. (the city of Huron is requiring 1 person/200 square feet—how that feels? A regulation basketball court has 4700 square feet...divided by 200...23.50 persons/court—that is if that space is maintained throughout. We have set up our group exercise classes with those distances in mind—though we are confused on the capacity rules set forth by the city commission).

• Huron VB Academy: begins June 1st. Sessions: Grades 9-12 & Grades 5-8. Monday – Thursday. We are modifying for group sizes and spacing.
• Adrenaline Team Camp: July 8 & 9. JV and Varsity. Location: Sioux Falls.
• SMSU Team Camp. July 20-23. Varsity only. Marshall, MN.
• Future 50. July 26. (Tenley and Libby)
• Summer Slam: July 27 & 28. Varsity only. Sioux Falls.

Potentially: Jamestown team camp...talked to the coach...dates are not advertised yet....Wisconsin team camp: Cancelled.

As you know....its “all fluid.” Sigh.

Head coaches,
Nothing was decided from the admin meeting today regarding opening up June 1. I did reach out to ESD schools and see what they are planning.

The large school Supt’s are having a meeting today and I asked Mr. Nebelsick to put this topic on the agenda.

I have heard back from a few schools on possible plans but nothing official yet. Other schools are waiting for the Supt meeting today to see what comes from that.
USA Volleyball

RETURN TO PLAY GUIDELINES
MAY 2020
USA VOLLEYBALL RETURN TO PLAY GUIDELINES
Implementation Date: May 15, 2020

1. **OVERVIEW** – USA Volleyball (USAV) has prepared *Return to Play Guidelines* for region leaders, club directors, event promoters, venue operators, members and families to provide guidance as volleyball activities begin to recommence across the United States. The following recommendations are not intended or implied to be mandates. Many of these recommendations are based upon current guidelines set forth by the Centers for Disease Control and Prevention (CDC) and other Federal government agencies. The knowledge surrounding COVID-19 is constantly changing and circumstances are different based on geographic region. Therefore, region leaders, club directors, event promoters and venue operators should adhere to their state and local guidelines when determining their own re-opening policies and procedures.

USAV will be resuming sanctioning of activities on May 15, 2020. **All USAV sanctioned activities will be required to adhere to the most stringent federal, state or local guideline for their respective areas. USAV insurance coverage will only be provided for activities that are allowed under such government directives.**

Until COVID-19 is either eradicated, a vaccine is developed, or a cure is found, there is no way to completely eliminate the risk of infection and as a result USAV strongly encourages all participants to follow these recommendations as safety precautions. The information in this document is not intended or implied to be a substitute for professional medical advice, diagnosis, or treatment, nor does USAV or its forty (40) Regional Volleyball Associations (Region(s)) assume any liability or responsibility for the recommendations provided herein.

2. **PURPOSE** – The purpose of these guidelines is to create a comprehensive return to play plan for USA Volleyball sanctioned activities in the United States that are compliant with CDC, federal, state and local regulations. USAV sanctioned activities include but are not limited to: tryouts, lessons, practices, scrimmages, camps, clinics, combines, showcases, or tournaments.

3. **RISK CATEGORIES** – Current volleyball activities are segmented into three types of risk categories:
   a. **Low Risk** – Individual skill development (passing drills, blocking, hitting, setting, serving, general fitness, strength training) at home (backyard, driveway, in-home), alone or with household members and with owned and sanitized equipment.
   b. **Medium Risk** – The above activities in public spaces alone or with household members; individual skill development with non-household members following the recommended physical distancing and sanitizing volleyballs.
c. High Risk – Individual skill development with non-household members not following the recommended physical distancing & not sanitizing volleyballs. Participating in any team or group play.
