6. Have evaluation, educational and placement decisions made based upon a variety of information sources and by persons who know the scholar, the evaluation data and placement options;
7. Have your scholar receive special education and related services if he/she is found to be eligible under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act;

HELPING YOUR SCHOLAR

- Scholars are eager learners and there is a lot that can be done at home to stimulate their growth and development. Many learning activities should be planned within the family.
- Parents who read books usually have scholars who read books. Reading aloud to scholars is an excellent practice because it develops their interest in reading.
- Once your scholar has learned to read, listen to him/her when he/she brings a book home, and share your scholar's enthusiasm and interest.
- Enrich your scholar's reading through visits to the library.
- Encourage your scholar to take part in family conversations and take time to answer questions about why things happen.
- Show an interest in your scholar's reports of his/her experiences.
- Show your scholar that writing serves many purposes. After your scholar has learned how to write, give him/her opportunities for writing notices, letters, and nametags.
- Make your scholar aware of how you use math in daily living.
- Enrich your scholar's life with family trips and excursions, encouraging him/her to be curious by calling attention to the world around him/her.
- Impress upon your scholar the need for sufficient sleep, well-balanced meals, and adequate exercise.
- Teach your scholar proper hygiene habits, and make him/her feel responsible for his/her personal care and cleanliness.
- Teach your scholar to obey Police Officers and traffic signs, and warn him/her never to talk or ride with strangers.
- Urge your scholar to play with scholars of his/her age and participate in a variety of play activities.
- Try to provide proper paper, crayons, scissors, paste, and other materials for your scholar to use in doing creative art work at home. Show interest in the creative work your scholar does and praise him/her for all efforts.

WASHINGTON 4 – 5 CENTER COMPACT

We feel it is very important to have the school and home working together to ensure your scholar receives the best education possible. In order to promote that idea, each year we have our scholars, parents, and staff members sign the following School Compact:

As a Scholar, I Will:

- *believe that I can learn and will learn.
- *always do my best in my work and behavior.
- *show respect for myself, my school, and other people.
- *come to school prepared with my homework and supplies.

As a Parent/Guardian I Will:

- *see that my scholar attends school on time.
- *provide a home environment that encourages my scholar to read and learn.
- *communicate regularly with my scholar's teacher.
- *show respect and support for my scholar, the teacher and the school.

As a Teacher, I Will:

- *show respect for each scholar and his/her family.
- *provide an environment conducive to learning.
- *seek ways to involve parents in the school program.
- *demonstrate professional behavior and a positive attitude.

As a Principal, I Will:

- *provide an environment that allows for positive communication between the scholars, parents, and teachers.

GENERALLY SPEAKING

Arrival

Since there is no playground supervision before the starting times, *early arrival is discouraged*. However, permission will be granted for special circumstances. Doors open at 7:30 AM at Washington 4-5 Center.

All scholars are urged to return home or to their after school supervisor immediately after school. This is essential so that parents or after school providers will know where their scholars will be playing. Parents are asked to encourage their scholars to do this each day.

Attendance Information

Regular attendance is essential in order to benefit from an educational program. Making up homework does not adequately compensate for what has been missed during the class presentation. All make up work must be completed to the teacher's satisfaction in order for the scholar to receive credit. The "give and take" between teacher and scholar, as well as scholar discussion, are essential parts of the class and are very difficult to make up.

Scholar attendance will be reviewed periodically, and the scholars whose attendance appears to be causing them academic problems may be subject to intervention.

The Huron School District with regards to truancy concerns of students on Individual Education Plans (IEP) or 504 Accommodation Plans will address absences and tardies with the student's team before truancy is referred to State's Attorney

Washington 4-5 Center • 8:15 – 3:10

ABSENCE

When your scholar will be absent, please contact the school as early as possible. If your scholar is staying with someone else during your absence from the city, please inform the school.

Scholars may be excused anytime from school by calling 353-7895 and leaving a message. Messages for staff members may also be left at this number. During regular school hours, the phone will be answered in person by the secretary. If you know that you are going to be gone ahead of time, please have your parents write a note to the office or call so that you can get your assignments ahead of time. Remember, if at all possible, your assignments should be completed and handed in before you leave.

When your scholar has been absent because of a contagious disease (measles, mumps, chicken pox; not flu or cold), he/she must have written permission to return to school. You may obtain permission from the school nurse by making an appointment at the

Washington 4-5 Center. You may also get written permission from your doctor or the county health nurse if that is more convenient for you.

Please send a note to your scholar's teacher when he/she is to leave for an appointment.

INCLEMENT WEATHER

10

KIJV, KOKK & KELO-TV will announce school closings during inclement weather. In an effort to improve parent-school communications, the Campus Messenger will be used for this purpose, as well as other important information sharing. An emergency weather form will be completed. Please keep this information current as to how your scholar is to go home due to school closing because of weather. Please check HuronSDSchools (Twitter), Huron SD Supt (Facebook) and www.huron.k12.sd.us (Website).

Parents' and scholars' complete support and cooperation with the bus rules/regulations and disciplinary action is needed at all times to ensure the continued safety of bus scholars to and from school.

Care of School Property

Please help your scholar develop a sense of responsibility for school property. Instilling in scholars respect for all public facilities promotes good citizenship.

Parents will be held financially responsible for damages to school property incurred by their scholar. Scholars will be assessed a fine for lost or damaged books.

Emergency Locations

Detailed instructions are posted in each room. Scholars should be certain they know these rules. In case it becomes necessary to exit from a classroom or the building because of an emergency, please remember the following:

- 1) Never assume it's merely a drill.
- 2) Walk, do not run. Move in single file.
- 3) No talking.
- 4) Move at least 100 feet from the building.
- 5) Stay within your group for roll call.
- 6) Wait for signal before re-entering the building.

In case of emergency that requires confinement within the building, each class will report to an assigned specific location. Classroom teachers will give scholars specific instructions for emergency evacuation procedures.

The school district is required to have two bus evacuation drills each year. This is to familiarize all scholars with the emergency exits in the bus and the proper procedure to be used if an emergency arises.

Gym Use

Sponsoring adults may utilize the school gym for scouting, basketball practice, etc. Arrangements can be made through the school office. A certificate of liability is needed or a school employee needs to attend all practices. An agreement needs to be signed by all responsible parties.

Homework

At times it is necessary for a class or for certain individuals to complete some of the days work at home. In addition to such requirements by the teacher, voluntary projects or activities, which reinforce or extend the classroom learning, are recommended.

Keeping Scholars After School

Scholars are sometimes kept after school to finish work or for disciplinary reasons. Some scholars may stay a few minutes after school to help with room duties. Scholars are given

permission to call home to explain their reasons for staying after school, and parents will be notified no later than 2:30. All other scholars should be out of the building by 3:10 except those who are participating in the Tiger After School Program (TAP). These activities generally do not last beyond 5:30 PM.

Change of Transportation

16

Please call the office (do not email) before 2:30 to notify your scholar of a change of transportation plans.

Immunization Requirements

South Dakota Codified Law (SDCL 13-28-7.1) required any pupil entering school shall, prior to admission, be **required** to present to school authorities certification from a licensed physician that he or she has received a test, or are in the process of receiving, adequate immunization for childhood diseases.

This law applies to all scholars entering a South Dakota school system for the first time. At a **minimum**, these requirements are:

3. Two doses of MMR administered after 12 months of age.
4. One dose of Hib vaccine administered after 12 months of age (Hib is not required after the 5th birthday).
5. Two doses of Chicken Pox vaccine after 12 months of age.

Certificates of Immunization on Pre-Kindergarten scholars will remain in the scholar's school record and be updated as additional immunizations are given. These certificates are NOT to be sent in until the scholar enters Kindergarten.

Complete dates of immunization (Month/Date/Year) are strongly encouraged to be used on the Certificate of Immunization, or a legible copy. Series complete or check marks will not be accepted.

B. Kindergarten Immunization Requirements

1. Four or more doses of DTP vaccine. At least one does must have been given after the age of four, (scholars over the age of seven receive Td).

rubella antibodies.

-Two doses of mumps vaccine administered after 12 months of age with a minimum interval of 30 days.

Law requires verification of chicken pox vaccination or a written statement your scholar has had chicken pox.

Lost and Found

17

An area for lost and found articles is kept at school. Please look in this area when you visit school, as many scholars do not easily recognize their own clothing. Please mark boots and coats when possible. Articles not claimed after a period of time are given to charitable organizations.

Leaving School Grounds

Scholars are not permitted to leave the school or playground before the regular dismissal time unless permission has been given by the principal or their designee. Bus scholars are to remain on the school grounds until bus pickup time. For safety reasons, if a scholar is to eat lunch at a place other than at home or school, written or verbal notice from the parent to the principal should be given *before* lunch.

Medication at School

No medication, prescription, or non-prescription, will be administered to a scholar without meeting the following requirements:

1. All medication must be brought to school in the original labeled container.
2. Medication must be age appropriate and FDA approved; no vitamins/herbal treatments given at school.
3. Completed authorization and release for medication form must be on file, including the parent/guardian signature for non-prescription medications, and both the parent/guardian and prescribing healthcare provider signatures for all prescription medications. Medication concerns or questions shall be directed to the school nurse. This also includes cough drops.

Messages

Scholars must have permission from their teacher or principal to use the school telephone. Each classroom has a telephone. Our phones are very busy during the school day. We encourage you to make all arrangements with your scholar before they come to school. Any messages for scholars other than for emergencies will be communicated to the scholar at the end of the school day.

Activities

Scholars in Grade 4 may participate in orchestra. Scholars in Grade 5 may participate in orchestra and band. Weekly lessons are given to each participant. Large group rehearsals are scheduled after the year begins.

Parent & Community Involvement

18

Citizens from the community are encouraged and invited into the school to provide additional learning experiences in the curriculum. Individuals interested in volunteering their services or expertise to the school, are encouraged to contact the school office. Volunteers are needed to assist teachers as room parents.

As part of their class work, scholars are also taken on trips to places of interest in the community. These trips are valuable because they offer concrete learning experiences and opportunities for training in courtesy, citizenship, and safety.

Parents are encouraged to become involved with their local school community by becoming active members in their school's Parent / Teacher Organization. You will be receiving information from your school regarding school organizations.

PTO

Are you a parent or volunteer that might like to get involved in our school? Would you like to help promote educational and fun activities for all scholars? The PTO is an important part of our school's success. They strive to help us make Washington a better school for all scholars. PTO meetings are usually held on a monthly basis.

Physical Development

A program for fourth/fifth grade scholars regarding physical development, sexual harassment, and bullying is presented each year. A series of videos are shown to scholars under the direction of the Nurse and Coach. Parents will be invited to preview these materials before they are presented to scholars.

Play Equipment

Personal playground equipment brought to school from home is not allowed. The District is not responsible for lost or stolen personal property that is brought to the school.

Report Card - Explanation of Progress

The achievement markings that the scholar has earned, explain the success the scholar has attained in a subject area in this grading period. Effort markings are shown to provide the level of participation the scholar has attempted during the grading period. Skill areas are provided to show the parent the essential abilities and their attainment needed in a subject area. The following is an explanation of the markings at the 4th / 5th grade level:

EFFORT MARKINGS

O = Outstanding	Exceptional participation for ability
S = Satisfactory	Expected participation for ability
N = Needs Improvement	Inconsistent participation for ability
U = Unsatisfactory	Inadequate participation for ability
P = Progressing	

GRADE 4/5 - ACHIEVEMENT MARKINGS

- A = Advanced (90%-100%)**
Expected learning progression in academics at this marking level is often exceptional and well above standard quality for a scholar.
- B = Proficient (80%-89%)**
Expected learning progression in academics at this marking level is adequate or above standard quality for a scholar.
- C = Basic (70%-79%)**
Expected learning progression in academics at this marking level needs to improve and is below standard quality for a scholar.
- D = Below Basic (60%-69%)**
Expected learning progression in academics at this marking level is inadequate and much below minimum standard quality for a scholar.
- F = Failing (59% and below)**
Expected learning progression in academics at this marking level is without success and greatly below standard quality for a scholar.

Room Parties

A short period of time is set aside for room parties. If parents wish to send a treat on those days or for a scholar's birthday, arrangements should be made with the teacher.

Safety Rules

Safety precautions and rules are discussed in each classroom. Please discuss safety rules with your scholar, including walking to and from school and riding bicycles.

If you bring your scholar to school by car or pick him/her up at dismissal time, it is advisable to stop your car in a place that does not require your scholar to cross the street in front of moving traffic. If you are going to walk your scholar into the school, please park in the parking lot. Do not park on the side of the street in the morning. After school, scholars need to cross the street using the crosswalk. Please be off your phone when dropping off or picking up your scholar.

School Pictures

School pictures are taken during the early part of the school year and in the spring. A letter of explanation will be sent home prior to pictures being taken. The purchase of the pictures is voluntary.

Staying in During Recess

Scholars may not remain in the building during recess time except at the request of parent, teacher, or the principal. If it is necessary for health reasons for a scholar to remain in the building during recess, a note from the parent must be written to the teacher. In the event of a long-term request, a signed statement from the scholar's doctor may be required by the school's principal.

Textbooks

Textbooks have been checked by the classroom teacher for their overall condition and marked accordingly on a master sheet. In the spring, prior to school dismissal, these books are checked again for damage above and beyond normal use. A fee will be assessed to those books receiving more than the normal wear and tear. Please instill in your scholar respect for school property.

Video Policy

In accordance with federal copyright law, the Huron School District 2-2 has adopted a video policy, which prevents classrooms from showing home videos without classroom instructional purposes. If you have questions, concerning this policy, please call your principal or the curriculum office at 353-6992.

Visiting

Parents are invited and encouraged to visit school. A telephone call to the office or a note to the principal prior to a visitation is appreciated. However, it is not advisable to visit at these times:

- When the teacher is absent.
- When a scholar teacher is teaching the class.
- The day before or after a vacation period.
- On a special day, such as Halloween or other party days.
- The first or last week of school.

Weapons in the School

Schools should be an example of what is taught regarding the observance of and respect for law. Schools also must be highly conscious of the health, safety, and welfare of scholars, staff, and the public.

Board policy forbids the bringing of weapons (a weapon is defined as any firearm, knife, or device, instrument, material, or substance whether animate or inanimate, which is calculated or designed to threaten, do bodily harm, or inflict death) to school or school-sponsored activities. When weapons are taken from scholars, parents will be notified. Confiscation of weapons may be reported to the police. The intent of the actions of the scholars will be considered in any report to the police. Appropriate disciplinary and/or legal action shall be pursued by the building principal. No firearms are permitted on any

school premises, school vehicle, or any vehicle used for school purposes, in any school building, or other premises used for school functions. Exceptions would be weapons under the control of law enforcement personnel, starting guns while in use at athletic events, firearms or air guns at the fire ranges, gun shows, and supervised school training sessions for use of firearms.

Have a Great School Year!
