CURRICULUM

The Huron Public School's curriculum is defined by the content standards that are approved by the South Dakota Department of Education.

These standards clarify what students are expected to know and be able to do at various points in their K-12 academic career. State and local adoption and implementation of the standards ensures that the education students receive is consistently strong across the United States, and that completion of high school has common meaning throughout the country.

TO IMPROVE THE SERVICES OFFERED BY THE DISTRICT

The school district will strive to improve the efficiency of the services provided through personnel assignments, expansion of the services that are offered, and by improvement of existing services. The school will also work toward improving the self-esteem of the students and employees through promotion and recognition of achievement.

The Huron Public School District #2-2

is an

Equal Opportunity Employer.
