- Keep a child or youth experiencing homelessness in the school of origin, except when doing so is contrary to the wishes of the child's or youth's parent or guardian.
- Ensure the elimination of stigmatization or segregated services and the elimination of other identified barriers for homeless children and youth.
- Provide children or youth experiencing homelessness with services comparable to services offered to other students in the school including the following:
 - Transportation services.
 - Educational services for which the child or youth meets the eligibility criteria, such as services provided under Title I of the elementary and Secondary Education Act of 1965 or similar state or local programs, educational programs for children with disabilities, and educational programs for students with limited English proficiency.
 - Programs in vocational and technical education.
 - Programs for gifted and talented students.
