

Fiscal Accounting and Reporting

The Business Manager will be designated by the Board to be responsible for receiving and properly accounting for all funds of the district.

The "Uniform Financial Accounting System for South Dakota School Districts" will be the official system used to record receipts and disbursements of the district.

The Business Manager will report all financial information to the State as required. The Board will receive monthly financial reports from the Business Manager that will include a statement of operating receipts and expenditures, and balance on hand in the several funds, a budget position report, and any other financial information that should be brought to the Board's attention.
