# Statement of Rights

---

Students at Huron High School have the basic constitutional rights guaranteed to all citizens. In exercising these rights, students have a responsibility to respect the fundamental rights of all citizens. One purpose of schools is to encourage the responsible use of these rights and develop good citizenship within the framework of an educational society. The school is a community, and the rules of a school are the laws of that community. To enjoy the right of citizenship in the school, students must also accept the responsibilities of citizenship.

## FERPA Notification

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the school receives a request for access.  

Parents or eligible students who wish to inspect their child's or their education records should submit to the school principal a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.  

Parents or eligible students who wish to ask the school to amend their child's or their education record should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest must be set forth in the school's or school district's annual notification for FERPA rights. A school official typically includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

[Optional] Upon request, the school discloses education records without consent to officials of another school or school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer. [NOTE: FERPA requires a school or school district to make a reasonable attempt to notify the parent or student of the records request unless

it states in its annual notification that it intends to forward records on request or the disclosure is initiated by the parent or eligible student.]

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202

### **Right to Nondiscrimination**

The Huron school district does not discriminate in its employment policies and practices, or in its educational programs or activities on the basis of race, color, creed, religion, age, marital status, gender, disability, national origin, or ancestry.

Inquiries concerning the application of Title VI or Title IX may be referred to Mrs. Jolene Konechne or Mrs. Linda Pietz, Coordinators, Huron School District, Huron, SD 57350 (605-353-6992) or to the U.S. Dept. of Education, Office of Civil Rights, Customer Service Team, 400 Maryland Ave. SW, Washington, DC 20202-1100

### **Section 504/American Disabilities Act**

Section 504 accommodations can be provided for a student who has physical or mental impairment that substantially impacts the student's education. Each situation is based on the individual's needs. For a complete description of the rights granted under Section 504, please contact Ralyna Abelseth, Coordinator (353-6997) or the high school (353-7800).

### **Right of the Disabled**

All students with disabilities in the Huron school district are entitled to the benefits of a free, appropriate educational program. For specific information about eligibility and services, please contact the Special Services Director, Ralyna Abelseth (353-6997).

### **Right to Confidentiality of School Records**

The Family Education Rights and Privacy Act of 1974 assures the confidentiality of students' records. A parent, guardian, or student over 18 years of age may refuse to permit the release of any information about a student by notifying the principal in writing.

***Please address any concerns that you have over compliance of our schools to the FERPA laws to:***

## Right to Due Process

The phrase "due process" means that any person accused of a violation of a rule, responsibility, or policy of law is entitled:

- A. to know what charges are against him/her.
- B. to have the opportunity to present his/her viewpoint before a final disciplinary decision is made.

A student facing serious disciplinary action such as long-term suspension, mandatory reassignment, or expulsion will receive from the school a copy of school policy that outlines a specific procedural process mandated by law to insure due process. If a decision for disciplinary action is made, the student has the opportunity to appeal that decision to a higher authority and must state his/her intent to do so.

Disciplinary action must then await the outcome of the appeal. For a copy of the appeal's process, please contact the high school office.

# Attendance

---

Students are expected to be on time for school each day school is in session. Attendance is an important factor in achieving a good education and in preparing for the workforce. High achievement is dependent on student participation in classes on a daily basis. There is a strong link between good attendance and a good education. However, we do understand there are days when students must miss school. Students should make up all assignments as soon as possible to remain current in the class. In an attempt to improve attendance for a student who is struggling, the following steps will be taken.

- After a student's fifth unexcused absence in a class, the teacher will contact the student's parents to inform them the student has **four five** absences, and to remind them students are expected to attend class daily.
- After a student's eighth unexcused absence in a class, a meeting will be set up with the student, his/her parent(s), and an administrator to discuss the student's future in the class.

The reasons for the student's absences, and their progress in the class will be considered when determining the best place for the student to experience success. Students on Individual Education Plans or 504 Accommodation Plans will address absences and tardiness with the student's team before truancy is referred to the State's Attorney.

**Tardies:** Students will be counted tardy if they arrive in the first five minutes of class. After five minutes the student will be counted as absent.

## Attendance Procedures

**Notes to parents/guardians:** Communication with the school regarding absences is essential. If your student is absent from school, you must communicate with the school as soon as possible to confirm your student's absence. Office secretaries are on duty from 7:00 a.m. until 4:30 p.m. each school day to receive your calls regarding absences. Call 353-7800 to leave information about your student. If it is impossible for you to call, a note written to the office will serve as means of communication. **Absences must be verified by 2:00pm on the school day following the occurrence or they will be considered unexcused.**

\*If your student must to be absent from school, you are requested to notify the office in advance if at all possible. Students should communicate with their teachers and complete requested school work before the absence occurs.

\*\*Absences for medical/dental appointments: Parents/guardians are encouraged to schedule appointments during non-class time whenever possible. Parents/guardians are asked to communicate with the office before the student checks out.

**Sign-Out/Sign-In Procedures:** Students are required to remain on campus from the time they arrive in the morning until they are dismissed in the afternoon (with the exception of those students who have earned privileges). Parental/guardian permission must be given to the office **before** a student may check out during the school day. A student must check out from the office **before** leaving. Any student who fails to follow these procedures will have their absence recorded as unexcused. Any student not returning after lunch must notify the office that same day or their absence will be recorded as unexcused.

- If a student fails to check-out of school in the office prior to leaving the building, all absences will be unexcused regardless of parent permission.
- If a student fails to check-in to the office when returning to school or arriving for the first time after 8:05am, all periods missed will be unexcused regardless of parent permission.

## Explanation of Absences and Make-Up Work Responsibilities

**School Activities:** A student representing the school at a school activity during the day is considered present.

**Make-up work:** The student must make up work in advance of the absence or have work missed ready to hand in the next class meeting at the discretion of the teacher. A student who misses school for two days or more, as for state tournaments or for other programs, will be afforded a reasonable amount of time to complete assignments.

**In-School Suspension:** A student is considered absent from class, and the absence counts against the absence policy. This includes removal from a class for a single period.

**Make-up work:** The student will be provided assignments. To earn credit, he/she must hand in assignments on the due date.

**Out-of-School Suspension:** A student is considered absent, and the absence will count against the absence policy.

**Make-up work:** The student will be provided assignments. To earn credit, he/she must hand in assignments on the due date.

**Homebound Absences:** A student physically or emotionally unable to attend school will be placed on a homebound or similar program to help earn credits in the areas where most practical. Following treatment, the student will be returned either to a regular school setting or to the Credit Recovery Center- whichever is more appropriate for the individual student and his/her needs.

**Unexcused Absences:** A student may not have the option of making-up work missed on the day of the unexcused absence based on each teacher's syllabus.

**Withdrawals and Transfers:** Students who withdraw from school or whose families are moving outside the school district should contact the office to receive the proper forms and information necessary to complete an accurate withdrawal process.

# Academics

---

## Conferences

Parents are encouraged to attend conferences during the first and the second semester of each school year to discuss student progress with staff. Parents will be notified of scheduled conference times.

## Grading System

The school year is divided into four marking periods--each approximately nine weeks long. A report card will be issued after each quarter is completed. The grade recorded on the permanent record is the final grade of the semester. Parent-teacher conferences are held twice each semester. Internet access to grades is available throughout the quarter through Parent Portal. Teachers may send out progress reports any time. These progress reports are usually sent out mid-quarter. They are warning or failure notices to the parents or guardians of students who are doing poor or failing work. Parents are urged to contact the student's teachers to discuss and/or help their student when necessary.

## Marking System

A = 4.0

B = 3.0

C = 2.0

D = 1.0

F = 0.0

## Grade point average

The grade point average (G.P.A.) is computed by the following procedure: multiply the number of grades by their value, add together, and divide by the number of grades. (Semester academic grades are used for this.)

*For example: Suppose a student received 1 A, 2 B's, and 3 C's*

$(1 \times 4.0) + (2 \times 3.0) + (3 \times 2.0) = 4.0 + 6.0 + 6.0 = 16$  grade points

$6$  (classes attempted) divided into the 16 grade points gives the grade point average = 2.7

## Incomplete (I) grades

Quarter incomplete shall be given when major papers, book reports, or tests are not completed. Teachers may grant a two-week time limit to make up incomplete work. Exceptions to the two-week period will be made when there are extenuating circumstances. All incomplete grades will become an F after this time period.

## Report Cards

Report cards, issued at the end of each quarter, reflect the students' cumulative progress through that grading period

## Guidelines to Add/Drop Classes

The classes Huron High School offers each year are based on the classes students register for the previous school year. As a result, it is difficult to grant schedule requests. If a student would like to request a schedule change they must complete the Schedule Change Request Form on the school webpage. The following are general guidelines for dropping and adding classes.

**Before the 4th Class Meeting:** Students may request to drop a class before the class meets four times. The permanent record will not show the course as taken. If students are not enrolled in a minimum of six classes each semester, another class must be added.

**After the 4th Class Meeting:** Students may request to drop a class after the fourth class meeting. Students cannot add a class after the fourth meeting of the class. Students who withdraw from a course after the fourth meeting of the class will receive a WITHDRAW PASSING (WP) if they are passing and are above the minimum number of six courses. They will receive a WITHDRAW FAILING (WF) if they are failing. Passing or failing, students who drop below the minimum number of six classes, will receive a WITHDRAW FAILING (WF). WF grades will be counted as an F towards the G.P.A. Students who drop below the minimum number of credits will be placed in a study hall.

## Pass/Fail Course Work

Students will work with their teacher and a principal to determine whether a class is offered with a pass/fail option. A student may elect to take some course work pass/fail under the following guidelines:

A student may elect a maximum of one class per semester pass/fail.

- A. Check with the school counselors to determine whether a pass/fail grade will jeopardize honors or scholarships. Pass/Fail classes will not meet Regent Scholar requirements.
- B. The student must meet with the instructor to fill out the proper request form.
- C. Only the principal may allow a student to take a traditional grade after they have been approved for a pass/fail request. The principal will limit discretion to a misunderstanding on the eligibility for honors or scholarships as described in B.
- D. Credit received on pass/fail will be applicable toward graduation, but will not count on class rank.
- E. The pass/fail will appear on the student's permanent record folder along with other final grades.
- F. A student will receive an "F" for failing a course regardless of the decision to take as pass/fail or with traditional grading.
- G. Students are encouraged to wait as long as possible before requesting a pass/fail, as teachers and administrators encourage taking a traditional grade whenever possible.
- H. Students are discouraged from taking a class pass/fail in order to avoid a "B" on their report card. The transcript with a "B" is held in higher respect than the one with a "pass" grade.

## Repeating a Class

If a student repeats a course both grades will appear on the transcript, however, only the highest grade earned will be used to calculate the GPA.

## Credit Recovery Center

Students may be pulled out of study hall in A121 or the Commons to receive guided instruction in the Credit Recovery Center. Students may also be assigned to the Credit Recovery Center permanently if an instructor, a counselor, and an administrator feel a student needs assistance.

## Honor Graduation

Students graduate with Honors in the three categories based on the student's grade point average (GPA)

**HIGHEST HONORS** students with a GPA of 3.900 or higher

**HIGH HONORS** students with a GPA of 3.750 to 3.899 inclusive.

**HONORS** students with a GPA of 3.500 to 3.749 inclusive.

A student must have completed at least two full semesters at HHS to qualify for honor graduation. In determining honor graduates, all regular academic courses are considered. Grades in driver education are excluded. GPA is computed at the end of the 7th semester to determine candidates for honor graduate status. The GPA is recomputed at the end of the 8th semester to confirm honor status and final class rank. Students who qualify to graduate with HIGHEST HONORS, HIGH HONORS, or HONORS after the 8th semester will be recognized at graduation.

## Honor Roll

Students are named to the honor roll by maintaining at least a grade point average of 3.500.

## Merit Roll

Students are named to the merit roll by maintaining at least a grade point average of 3.000 to 3.499.

## Academic Letter

An academic letter can be earned in the following ways:

- Juniors must have a five-semester GPA of 3.750
- Seniors must have a seven-semester GPA of 3.750

## Opportunities to earn Post-High School Credit

Information on the following opportunities for earning credit which may apply to post-secondary education is available from the counselors.

- Juniors and Seniors may enroll in classes at a university or technical school and receive credit at Huron High School. Upon completion of a 3, 4, or 5 credit college class, ½ credit of high school credit will be granted. More information is available in the Counselors' Office.

## Alternative Education

Students who have struggled or are struggling in class may be referred to as the principals. Depending on the student's needs they may be assigned to the Credit Recovery Center or allowed to enroll in online courses.

## Assessment

Various state and local assessments are used throughout the school year to determine your child's level of achievement as well as their progress. These assessments include but are not limited to the following:

- Access
- WIDA Model
- State Assessment for ELA & Math – grade 11

The results of these assessments may be shared with you during parent-teacher conferences. You are invited to discuss these results with your teachers or principal at any time.

## Health Related Items

---

### **Nursing Services**

There is a school nursing facility in the office for those students who are injured or become sick during the school day. Students who are ill or injured should report to the school office. Over the counter Ibuprofen and Tylenol are available to students as long as the parent/guardian signs a Medication Authorization form prior to medication administration.

If your child needs to take a prescription medication during the school day, both the prescribing doctor and parent must sign a Medical Authorization form prior to medical administration. Parents/guardians are responsible for bringing the medication to the school.

All medication must be in the original container. Prescription medications are required to have the original prescription label attached to the container. Medications are secured in a locked cupboard and only administered by trained staff per SD codified law. A record of medications administered to students is kept in the nurse's office.

Students who have a temperature of 100.0 or higher are asked to go home. They may return to school after being fever free for 24 hours without the use of Tylenol or Ibuprofen. Other school exclusions are listed on the district website.

***The school nurse is not always in the building.***

### **Immunization Requirements for School Attendance**

SD State Law requires any pupil entering school in this state shall, prior to admission, be required to present to school authorities certification that he or she has received a test for tuberculosis and has received or is in the process of receiving adequate immunization against poliomyelitis, diphtheria, tetanus, pertussis, rubella, mumps, according to the recommendations of the State Department of Health. Students must also provide proof of immunization for chicken pox or documentation of having had the disease previously. The only exemptions are medical exemptions signed by an M.D. and religious exemption.

### **Chemical Abuse/Dependency**

Huron Public School District #2-2 recognizes that chemical abuse/dependency is a concern that needs to be addressed by the school and community. Chemical dependency problems often interfere with school behavior, student learning, and the fullest possible development of each student.

The use or possession of alcoholic beverages or any controlled substance, as defined by South Dakota Codified Laws (SDCL), by any student on any school property or while attending any school related function is prohibited. For a copy of the complete policy, please contact the high school office (353-7800).

## Policies and Procedures

---

**Awards:** While attending Huron High School, students have the opportunity to earn various awards for academic achievement, athleticism, fine arts participation and citizenship. The majority of student awards are presented to students at Class Day ceremony in May.

**Book Fines:** Books returned with an ordinary amount of deterioration due to usage should be accepted at no charge to the student. Lost textbooks (and books that suffer extreme abuse) will be charged at the following rates:

- a. the replacement cost of a new book - for a book lost in the year it was purchased.
- b. the replacement cost of a book suffering extreme damage or abuse in the year it was purchased.
- c. 50% of the cost of a replacement book suffering extreme damage or lost after its first year.
- d. \$15 for a book suffering unusual damages.
- e. \$10 for a book suffering minor damages.

**Cancellation/Late Start of School:** If severe weather conditions require the delay or cancellation of school, local radio (Performance Radio stations) and television (KELO, FOX, KDLT) stations broadcast pertinent information. Additionally, the information is posted on our school webpage, an email goes out to all students and a recorded message will be sent to the primary phone number on each student's record. If school starts late due to bad weather, students will receive a copy of the amended class schedule for that day via their school email account.

**Detention:** A consequence in which students are required to attend before school, during lunch, or after school. Detention may be assigned by a teacher to be served in their classroom with them or by an administrator to be served at a designated location.

**Early Graduation:** Seniors who plan to graduate at the end of the first semester and juniors who plan to graduate at the end of the year must meet with the principal during the first week of school to complete the early graduation form. The principal may allow a student to apply for early graduation later in the semester for extenuating circumstances.

**Emergency Drills:** Directions will be given by school personnel for you to move to areas of safety.

**Fire Drills:** The signal for a fire drill is the sounding of a shrill fire horn. Your cooperation is needed to clear the building as efficiently and safely as possible.

**GIFT:** At the conclusion of each semester teachers may provide students with the opportunity to complete work or make up time that they missed during the semester.

**Hall Passes:** To be in the halls, a student must wear their ID and have an e-pass from an administrator, teacher, or para. This applies to ANY STUDENT who finds it necessary to enter the halls during class time.

**IDs:** All students, staff and visitors must wear an ID that is visible on the top half of their torso and is in clean and clear condition. While this is an expectation in every class, it is equally important in the hallways and commons, as the need to check and follow-up on persons without identification is a part of safety protocol. Students in the hallway without an ID may be charged with an absence in their current or next class and will be assessed a replacement fee of \$5.00.

**Internet Availability:** Student use of the Huron School District Network (HSD Network) shall comply with the policies of the school board, district staff, and the Children's Internet Protection Act (CIPA). The CIPA may be found on the school website. Student use of school technology may be permitted after the permission form signed by parents/guardians has been received by the office. Students who abuse the privilege of internet access may lose access to it.

**Lockers:** Lockers are the property of the Huron School District. Each student may choose to have an individual locker with a combination lock to be used for coats, books, and other school supplies. The school can assume no responsibility for articles lost or stolen. Inspection of lockers can happen at any time by school personnel. Authorized random searches, including drug dogs, are part of our student safety program.

**Messages from Parents:** Parents should feel free to e-mail their student. Students are permitted access to e-mail during the school day. In emergency situations please call the office and students will be called from class for a telephone call or have messages delivered to them.

**Money and Valuables:** Please do not bring large amounts of money to school. All valuable articles should be in possession of the owner at all times. The school cannot accept responsibility for stolen money or other articles.

**Parking Fines:** There are designated areas for student parking. Students parking in areas designated for staff, or parking illegally, will be in violation. The first offense will result in the student receiving a ticket informing them of the parking violation. The second offense will result in student signing an agreement that, upon the third offense, the student acknowledges that their vehicle will be impounded and the fees and fines are the student's responsibility. The student may be given the option of a \$25.00 fine in lieu of the vehicle being towed (cost estimate \$90.00).

**Posters and Announcements:** Any posters or announcements to be displayed in the hallways at Huron High School or read over the network must be approved by an administrator.

**Student Electronic Devices:** The use of electronic devices during instructional time is up to the teacher. If a student does not follow a teacher's instructions it will be considered insubordination and will be handled as such. If there is reasonable suspicion to believe a student has used an electronic device to cheat, bully another student, or otherwise violate school rules the phone may be confiscated by an administrator."

**Note: *Any electronic device on campus is subject to inspection, with reasonable suspicion, by a principal at any time.***

**Substitute Teachers:** Substitute teachers are to be accorded the same respect as regular classroom teachers. Any student failing to maintain a proper relationship with a substitute teacher will be dealt with accordingly. The responsibility is on the student to treat a substitute with the respect and courtesy that is due all persons at HHS.

**Visitors:** All visitors must report to the office immediately when entering the building. During the school day, visitors must stay in the office unless otherwise approved of by the principal's office.

## Standards of Conduct & Discipline

---

The goal of discipline is a self-disciplined individual with a mature attitude and socially acceptable standard of conduct.

Huron High School operates based on the knowledge that the vast majority of students are self-disciplined, make good decisions, and behave in a productive manner. Proper behavior is the responsibility of the student and his/her parents/guardian. The student has the responsibility to know and respect the rules and regulations of the school and to be considerate of the rights of others. Administrators, teachers, counselors, and other school personnel are authorized to enforce rules and regulations to promote the learning climate. High school students are expected to show respect for oneself, for each other, and for public and personal property. Students have the right to expect the orderly conduct of the school program. Behavior that would be detrimental to a stimulating learning climate must be discouraged. Students are under the jurisdiction of the school district while on the school grounds, under the supervision of school authorities, attending a school function, riding a regular bus route, or on any extra-curricular trip.

### **Conduct that Constitutes Grounds for Short- or Long-Term Suspension, Expulsion, or Reassignment:**

School officials have the authority to discipline a student by exclusion, suspension, or expulsion. In addition, in the case of a clear and present danger to the student or to other students, emergency procedures will be followed. For this section, the terms shall have the following meanings:

**Emergency Exclusion:** Immediate exclusion if the student has a dangerous communicable disease or presents a clear threat to self or others.

**Short Term Suspension:** Up to and including ten school days.

**Long Term Suspension:** More than ten school days, but less than 90 school days

**Expulsion:** Removal of the student for a minimum of the balance of the current school term with the loss of all credits

The following chart shows examples of appropriate consequences for violation of the standard of school behavior. It does not imply or require that a step-by-step progression of increasing severity be employed by the administration in dealing with a violation. However, there shall be a logical relationship between the severity of the offense and the administrative action.

### Police Visitation/Use by School

It is the philosophy and belief of the administration at Huron High School that the responsibility for dealing with student discipline rests with us. Thus, we will make every effort to handle such problems in-house according to the policies and procedures established by the district and the school. However, when violations of law or municipal ordinance occur, or when a student or parent/guardian refuses to work within the established policies of the district and school, or when security of persons or property appears to be in jeopardy, we will call the police and initiate arrest and prosecution proceedings. The school does work with the police department juvenile officers.

## Eligibility/Participation in Co-curricular Activities

There are specific requirements governing student eligibility for participation in activities. Some regulations are set by the South Dakota High School Activities Association and some by Huron School District. For a complete listing of requirements, please contact the Athletic Director or the High School Office.

One specific regulation has been established by law. On first offense, any student adjudicated, convicted, the subject of an informal adjustment or court-approved diversion program, or the subject of a suspended imposition of sentence or suspended adjudication of delinquency for possession, use, or distribution of a controlled substance or marijuana (as defined by SDCL 22-42) or for ingesting, inhaling, or otherwise taking into the body any substance as prohibited by SDCL 22-42-15, is ineligible to participate in those activities sanctioned by the SDHSAA for a period of one calendar year from the date of adjudication, conviction, diversion, or suspended imposition of sentence. A student may reduce the suspension to 60 school days if the individual participates in an assessment with a certified chemical dependency counselor or completes an accredited intensive prevention or treatment program.

On second offense, the student will be permanently ineligible to participate in those activities sanctioned by the SDHSAA.

## Participation by Home-schooled Students

Students who are home-schooled shall have the opportunity to participate in district co-curricular and interscholastic activities if they meet the requirements of state law, the South Dakota High School Activities Association, and district policy, including regulations specified in the student/parent handbooks.

The activities director, in conjunction with other administrators, will have the responsibility of formulating procedures regarding the participation of home-schooled students in activities. (Board Policy IGD)

Mrs. Fuchs, Mrs. Rubish, Mr. Mittelstedt, and Mr. Cutshaw are advisors.

## School Letter Awards

The Huron chenille monogram has become the official letter award of the school and is reserved for those to whom it has been officially granted. It is to be worn on the official orange and black letter jacket by one to whom the award was presented. Unless the monogram is worn according to the regulations under which it is awarded, it soon ceases to have value. It must be understood that the letter is earned and is not a gift for participation.

## Earning an Activity Letter

The lettering policy adopted for Huron High School is intended to utilize consistency and fairness to all participants. We believe it is a privilege to take part in interscholastic activities and feel that this lettering procedure will allow individual consideration for all participants in activities.

Each extra-curricular and co-curricular activity has specific requirements for earning a letter. A packet containing "Tiger Beliefs," training rules, and a complete listing of requirements for lettering in each individual activity is available from the activities director or at the high school office.

## Student Dances

Dances and other activities will be supervised by Huron High School staff members. When students enter the activity, they are not to leave unless leaving for the remainder of the event. Non-Huron High School Students who attend dances as the guest of a Huron High School Student, are subject to the same rules as students and may be required to be pre-registered. School dances are school-sponsored and all rules and expectations for behavior are in effect. Students who are excluded from a school activity for unacceptable behavior may also be excluded from future activities.

## Prom

Huron High School Juniors and Seniors who are in good standing with the school may bring a date that does not attend Huron High School. Non-student dates must be registered with the principal's office, currently enrolled in high school, or have not reached the age 21.

## Media Center

The media center provides students with fiction and nonfiction books, e-readers, magazines and reference materials including computer and online access. The students are given the privilege of studying in a quiet atmosphere. To continue to utilize their library privileges, students are expected to wear their IDs and follow the rules of the library including normal book checkout and return policies.

## Counseling Center

Counselors are available to help students in numerous areas including confidential assistance with personal and academic problems, course scheduling, career planning, and future education.

## Sportsmanship at Athletic Events

Huron High School has traditionally had tremendous enthusiasm for sports. This enthusiasm has played a vital role in the success of our teams.

These students are young athletes, not professionals. As members of opposing teams, they are not enemies. The visiting team is a guest of the home team. The officials are adults who, by agreement between the two competing schools, are assigned to administer the rules of the game. Their experience and integrity qualify them for this responsibility. An attitude of friendly sportsmanship should be reflected by all spectators no matter how strong their loyalty to their team. Students and adults should show respect for players, cheerleaders, coaches, officials, and all other spectators attending the event.

***Please regulate your actions at all times so that you will be a credit to the team you support. The school gets praise or blame for your conduct, because you represent your school just as athletes do.***
