STUDENT TRAVEL

Ideally, students will travel to and from school-sanctioned events in school-approved transportation. Until the School District has been released from Covid19 Thresholds and Protocols, parents will have the right to transport their children to and from contests to add another layer of exposure protection and help the school social-distance those who must ride the school transportation. The parent/guardian may complete a transportation waiver and submit it to the activity advisor (e.g. coach or director) for prior consideration. Please complete and submit this transportation waiver to your child's advisor, coach or director or (in their absence) to the Activities Department for prior consideration of alternative transportation to or from a school-sanctioned event.

Having read this transportation waiver, I acknowledge that I understand the document and accept full responsibility for my child's transportation.
