Message From The Principal

Welcome to the Madison 2-3 Center,

Welcome to the 2024-25 school year! We feel our schools are special because we have state of the art facilities and grade level buildings. We are able to focus our instruction and activities to meet the needs of second and third grade students. It's honestly a great age level and we have a lot of fun finding ways to teach, support and grow our students.

We believe strongly in being a team. Families are an important part of our team. With your support, we will work hard to improve student's skills in math, reading, writing, behavior and language acquisition. Learning is a fun process that involves the combined efforts of the students, staff and parents.

We have an active Facebook page (Madison 2-3 Center) which is one way you can stay informed and involved in what is happening at our school. Feel free to stop in and visit the office at any time with questions, concerns or just to say hi.

We look forward to another exciting year.

FERPA Notification

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the school receives a request for access.

Parents or eligible students who wish to inspect their child's or their education records should submit to the school principal a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the school to amend their child's or their education record should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest must be set forth in the school's or school district's annual notification for FERPA rights. A school official typically includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

[Optional] Upon request, the school discloses education records without consent to officials of another school or school district in which a student seeks or intends to enroll, or is already

enrolled if the disclosure is for purposes of the student's enrollment or transfer. [NOTE: FERPA requires a school or school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request or the disclosure is initiated by the parent or eligible student.]

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

**Any questions in regard to 504 or the Americans with Disabilities Act should be directed to your child's building administrator.*

Rights to Nondiscrimination

The Huron school district does not discriminate in its employment policies and practices, or in its educational programs or activities on the basis of race, color, creed, religion, age, marital status, gender, disability, national origin, or ancestry.

Questions on Title VI or Title IX may be referred to Mrs. Linda Pietz or Mrs. Jolene Konechne, Coordinators, Huron School District, Huron, SD 57350 (605-353-6992).

Section 504 / American Disabilities Act

The following is a description of the rights granted under Section 504 to students with disabilities. The intent of the law is to keep you fully informed concerning decisions about your child and to inform you of your rights if you disagree with any of these decisions.

You have the right to:

1. Have your child take part in and receive benefits from public education programs without discrimination because of his/her disability;
2. Have the school district advise you of your rights under federal law;

3. Receive notice with respect to identification, evaluation, or placement of your child;
4. Have your child receive a free appropriate public education. This includes the right to be educated with students without disabilities to the maximum extent appropriate. It also includes the right to have the school district make accommodations to allow your child an equal opportunity to participate in school and school-related activities;
5. Have your child educated in facilities and receive services comparable to those provided to students without disabilities;
6. Have evaluation, educational and placement decisions made based upon a variety of information sources and by persons who know the student, the evaluation data and placement options;
7. Have your child receive special education and related services if he/she is found to be eligible under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act;
8. Have transportation provided to and from an alternative placement setting at no greater cost to you than would be incurred if the student were placed in a program operated by the district;
9. Have your child be given an equal opportunity to participate in non-academic and extracurricular activities offered by the district;
10. Examine all relevant records relating to decisions regarding your child's identification, evaluation, educational program and placement;
11. Obtain copies of educational records at a reasonable cost unless the fee would effectively deny you access to the records;
12. A response from the school district to reasonable requests for explanations and interpretations of your child's records;
13. Request amendment of your child's educational records if there is reasonable Cause you to believe that they're inaccurate, misleading or otherwise in violation of the privacy rights of your child. If the school district refuses this request for amendment, it shall notify you within a reasonable time and advise you of the right to a hearing;
14. File a 504 grievance if you have a disagreement with the school;
15. Request mediation or an impartial due process hearing related to decisions or actions regarding your child's identification, evaluation, educational program or placement. You and the student may take part in the hearing and have an attorney represent you;
16. File a complaint with Director of Special Services, Coordinator, Buchanan School, 5th & Mellette SW, Huron, SD 57350 (605-353-6997) or to the Regional Director, Dept. of Education, Office of Civil Rights, 10220 North Executive Hills Blvd., 8th Floor, Kansas City, MO 64153-1367. Phone: 816-880-4202; TDD: 816-891-0582; E-mail: OCR-KansasCity@ed.gov

Right of the Disabled

All students with disabilities in the Huron school district are entitled to the benefits of a free, appropriate educational program. For specific information about eligibility and services, please contact the Special Services Director, Ralyna Schilling (353-6997).

Right to Confidentiality of School Records / Directory Information

The Family Education Rights and Privacy Act of 1974 assures the confidentiality of students' records. A parent, guardian, or student over 18 years of age may refuse to permit the release of any information about a student by notifying the principal in writing.

Please address any concerns that you have over compliance of our schools to the FERPA laws to:

Terry D. Nebelsick, Superintendent, 150 5th St SW, Huron, SD 57350

Phone: (605) 353-6990.

For additional information, you may call 1-800-872-5327, or you may communicate with the following address:

Family Policy Compliance Office, US Dept. of Education, 400 Maryland Ave, SW, Washington, DC 20202-8520

www.ed.gov/policy/gen/guid/fpc/ferpa/index.html

Directory Information

Huron school district designates the following personally identifiable information regarding its students as directory information:

- Name
- Address and phone number
- Date of birth
- School attending
- Dates of attendance
- Parents or guardian of student
- Participation in school-recognized activities
- Weight, height, age, and grade of members of athletic team
- Awards received

Right to Due Process

The phrase "due process" means that any person accused of a violation of a rule, responsibility, or policy of law is entitled:

A. to know what charges are against him/her.

B. to have the opportunity to present his/her viewpoint before a final disciplinary decision is made.

A student facing serious disciplinary action such as long-term suspension, mandatory reassignment, or expulsion will receive from the school a copy of school policy that outlines a specific procedural process mandated by law to insure due process. If a decision for disciplinary action is made, the student has the opportunity to appeal that decision to a higher authority and must state his/her intent to do so. Disciplinary action must then await the outcome of the appeal. For a copy of the appeal's process, please contact the school office.

Attendance

MADISON 2-3 Center **HOURS FOR GRADES 2-3** **8:15 – 3:10**

ABSENCE

When your child will be absent, please contact the school as early as possible. If your child is staying with someone else during your absence from the city, please inform the school.

A child may be excused at 11:30 or after 2:30 for piano lessons if the teacher and principal agree that the child can afford to be away from school at these times.

When it is necessary to pick up your child from school before regular dismissal time, please contact the school as soon as possible. When your child has been absent because of a contagious disease (measles, mumps, chicken pox; not flu or cold), he/she must have written permission to return to school. You may get written permission from your doctor or the county health nurse if that is more convenient for you. Your child will be sent home if they have a fever of greater than 100.0 degrees, and may return to school after 24 hours without a fever. The fever should be less than 100.0 degrees without the use of fever reducing medication for 24 hours. We will follow current/updated SD Department of Health and CDC guidelines regarding attendance of school. Please send a note to your child's teacher when he/she is to leave for an appointment.

Attendance is critical in achieving goals. When school is in session, students must be there to benefit. While that seems obvious, chronic absenteeism is a problem not only in South Dakota schools, but nationwide. Missing 10 percent of a school year, or just two days a month, is all it takes to negatively impact student achievement. Students with chronic absences may be referred to the school social worker and/or truancy officer – Officer Vaitohi.

The Huron School District with regards to truancy concerns of students on Individual Education Plans (IEP) or 504 Accommodation Plans will address absences and tardies with the students team before truancy is referred to State's Attorney.

ARRIVAL & HOURS

Since there is no playground supervision before 7:45, *early arrival is discouraged*. However, permission will be granted for special circumstances. School doors open at 7:30, but arrival prior to 7:45 is discouraged. No students are allowed to arrive prior to 7:30 a.m. Breakfast will be served at each school prior to the beginning time listed below. Breakfast is served from 7:45-8:15am.

All children are urged to return home or to their after school supervisor immediately after school. This is essential so that parents or after school provider will know where their children will be playing. Parents are asked to encourage their children to do this each day.

Madison 2/3 Center School Compact

We feel it is very important to have the school and home working together to ensure your child receives the best education possible. In order to promote that idea, each year we have our students, parents, and staff members sign the following School Compact:

As a Student, I Will:

- *believe that I can learn and will learn.**
- *always do my best in my work and behavior.**
- *show respect for myself, my school, and other people.**
- *come to school prepared with my homework and supplies.**

A Parent/Guardian I Will:

- *see that my child attends school on time.**
- *provide a home environment that encourages my child to read and learn.**
- *communicate regularly with my child's teacher.**
- *show respect and support for my child, the teacher and the school.**

As a Teacher I Will:

- *believe that each student can learn.**
- *show respect for each child and his/her family.**
- *provide an environment conducive to learning.**
- *seek ways to involve parents in the school program.**
- *demonstrate professional behavior and a positive attitude.**

As a Principal I Will:

- *provide an environment that allows for positive communication between the students, parents, and teachers.**

Helping Your Child

- Children are eager learners and there is a lot that can be done at home to stimulate their growth and development. Many learning activities should be planned within the family.
- Parents who read books usually have children who read books. Reading aloud to children is an excellent practice because it develops their interest in reading.
- Once your child has learned to read, listen to him/her when he/she brings a book home, and share your child's enthusiasm and interest.
- Enrich your child's reading through visits to the library.
- Encourage your child to take part in family conversations and take time to answer questions about why things happen.
- Show an interest in your child's reports of his/her experiences.
- Show your child that writing serves many purposes. After your child has learned how to write, give him/her opportunities for writing notices, letters and nametags.
- Make your child aware of how you use math in daily living.
- Enrich your child's life with family trips and excursions, encouraging him/her to be curious by calling attention to the world around him/her.
- Impress upon your child the need for sufficient sleep, well-balanced meals and adequate exercise.
- Teach your child proper hygiene habits, and make him/her feel responsible for his/her personal care and cleanliness.
- Teach your child to obey policemen/women and traffic signs and warn him/her never to talk or ride with strangers.
- Urge your child to play with children of his/her age and participate in a variety of play activities.
- Try to provide proper paper, crayons, scissors, paste and other materials for your child to use in doing creative art work at home. Show interest in the creative work your child does and praise him/her for all efforts.

Parent & Community Involvement

Citizens from the community are encouraged and invited into the school to provide additional learning experiences in the curriculum. Individuals interested in volunteering their services or expertise to the school are encouraged to contact the school office. Volunteers are needed to assist teachers as room parents.

As part of their class work, pupils are also taken on trips to places of interest in the community. These trips are valuable because they offer concrete learning experiences and opportunities for training in courtesy, citizenship, and safety.

Parents are encouraged to become involved with their local school community by becoming active members in their school's parent-teacher organization. You will be receiving information from your school regarding school organizations.

Assessment

Various state and local assessments are used throughout the school year to determine your child's level of achievement as well as their progress. These assessments include but are not limited to the following:

- NWEA/MAP - Measure of Academic Progress (grades 2-3) - fall, winter, spring
- Smarter Balanced Assessment – Grade 3

The results of these assessments may be shared with you during parent teacher conferences. You are invited to discuss these results with your child's teacher or principal at any time.

Conferences

Parent-teacher conferences provide an opportunity for a discussion of your child's work. Conferences are held twice a year. A unified effort of home and school is important for the child's happiness and success. Parents are invited to consult with the teacher or principal at any time.

Keeping Students After School

Children are sometimes kept after school to finish work or for disciplinary reasons. Some children may stay a few minutes after school to help with room duties. Children are given permission to call home to explain their reasons for staying after school, should the time exceed 15 minutes. All other children should be out of the building by 3:15, except those who are participating in extra-curricular activities and the after school program. These activities generally do not last beyond 5:30 p.m.

Physical Education

Physical education class is enhanced when students wear appropriate clothing.

A student will need a note from home if the parent does not want him/her to participate on a given day due to illness. If the student is not to take part in PE class for an extended period (one week), a statement from a doctor will be needed.

Using physical activity and withholding physical education class as punishment is strongly discouraged or used as a last resort.

There is a school nursing facility in the office for students who are injured or become sick during the school day. Students who are ill or injured should report to the school office. Students who have a temperature of 100.0 or higher are asked to go home. They may return to school after being fever free for 24 hours without the use of Tylenol or Ibuprofen. Other school exclusions are listed on the district website.

The school nurse is not always in the building. Students should ask the secretary for assistance if the nurse is not available. Parents can contact the school nurse by calling the school or sending an email to (building nurse email).

Immunization Records and Requirements

[South Dakota Codified Law 13-28-7.1](#) (Rev. 2016) requires that any pupil entering school or an early childhood program in this state shall, prior to admission, be required to present to school authorities certification from a licensed physician that the child has received, or is in the process of receiving, adequate immunization against poliomyelitis, diphtheria, pertussis, rubeola (measles), rubella, mumps, tetanus, meningitis and varicella (chickenpox), according to the recommendations of the State Department of Health.

This law applies to ALL children entering a South Dakota school district for the first time. This would include children in early intervention programs, preschool, as well as kindergarten through twelfth grade. Children under 4 need to be age-appropriately immunized.

Minimum immunization requirements for kindergarten through twelfth grade are defined as receiving at least:

1. Four or more doses of **diphtheria, pertussis and tetanus containing vaccine**, with at least one dose administered on or after age 4.
2. Four or more doses of **poliovirus vaccine**, at least one dose on or after age 4.
3. Two doses of a **measles, mumps, and rubella vaccine (MMR or MMRV)**.
4. Two doses of **varicella vaccine (Varicella or MMRV)**. History of disease is acceptable with parent/guardian signature on the certificate of immunizations.

NOTE: Hib, Hepatitis A, Hepatitis B, HPV, annual Influenza, and Pneumococcal vaccines are recommended but not required.

Medical and religious exemptions are allowed as long as all signatures are obtained on the certificate of immunization. There are no other exemptions.

For questions regarding immunizations, please contact your provider or click the link below.

Medication at School

Select over-the-counter(OTC) medications may be administered by school staff without parent or doctor authorization to treat immediate needs during the school day. Examples include, but are not limited to, antibiotic cream, anti-itch cream, eye drops, cough drops, and antacids. Please contact the school nurse if you do not wish for your child to receive these treatments.

Medication must be age appropriate and FDA approved; no vitamins/herbal treatments will be given at school.

Students are not allowed to carry medications with them with the exception of rescue medications (i.e. inhalers, EpiPens, insulin, glucagon, etc.)

Medications are secured in a locked cupboard and only administered by trained staff per SD codified law. A record of medications administered to students is kept in the nurse's office.

Over the Counter (OTC) Medications

Students may take OTC medications at school as long as the following are in place.

- Administration of Medications form must be signed by the parent/guardian.
- Medications must be brought to school in the original container with the directions clearly visible.
- Medications must not be expired.

Prescription Medications

Students who need prescribed medications at school may do so as long as the following are in place.

- Administration of Medications form must be signed by the parent/guardian AND prescribing provider.
- Prescribed medications cannot be given until the form is returned to the school with the provider's signature.
- Medications must be brought to school in the original pharmacy container with the pharmacy label attached.

Medication concerns or questions shall be directed to the school nurse.

Staying Inside During Recess

Children may not remain in the building during recess time except at the request of parent, teacher, or the principal. If it is necessary for health reasons for a child to remain in the building during recess, a note from the parent must be written to the teacher. In the event of a long-term request, usually after the third day, a signed statement from the child's doctor may be required by the school's principal or nurse.

Policies & Procedures

Attire

Parents are encouraged to take a keen interest in the appearance of their students. Attire that is inappropriate or disruptive to class is not allowed.

- Hats, caps, bandanas, and sweatshirt hoods should not be worn during the academic day.

Temperatures vary greatly in the early fall and late spring. We would offer the following suggestions:

Temperature	School/Playground Attire
Below 60	Coats/jackets and/or long sleeves
Above 60	Short-sleeved clothing/shorts (please use discretion)

Bike

Bike locks *are recommended* and all bikes need to be stored at the bike rack. Bike helmets are recommended but not required.

Book Bags

Students are *encouraged to utilize book bags* for the protection of schoolbooks, notices, etc

Care of School Property

Please help your child develop a sense of responsibility for school property. Instilling in student's respect for all public facilities promotes good citizenship.

Parents will be held financially responsible for damages to school property incurred by their child. Students will be assessed a fine for lost or damaged books.

Change of Address

Please notify the school of any change of address or telephone number. If you plan to move out of town or transfer from one school area to another, please notify the school office in time to prepare the necessary withdrawal or transfer information.

Crossing Streets

Please instill in your child the correct procedure for crossing streets. Students should cross at *intersections only*. With many parents picking up students at dismissal time, the area around the school can be hazardous. At the end of day, **ALL** students must leave the school grounds, then they may return to play.

Electronic Devices

Electronic devices such iPad, iPod, smart watches, headphones, cellular phones, pager type devices, and cameras are not to be used or carried while school is in session, unless specifically approved by their teacher. If students are observed to be using or are in possession of one of these devices while school is in session, without permission, the item will be confiscated and may be picked up in the principal's office at the end of the day. If the item continues to be a disruption, it may be confiscated and *only* returned to a parent/guardian. **Students choosing to bring these electronic devices, do so at their own risk.** The school is not responsible for lost or stolen electronic devices. *Laser lights and other nuisance items are not permitted in the building at any time.*

Emergency Procedures

Provisions are made for emergency locations in each school area. These locations will be used for the children in the event of any evacuation necessary, as in the case of fire or other emergency during school hours. Your principal will inform you of the emergency locations. Lockdown procedures are reviewed yearly and plans are on file at each building.

Contact your building principal or your child's teacher if you wish further information about these programs and/or services.

Gym Use

Sponsoring adults may utilize the school gym for boys or girls scouting. Arrangements can be made through the school office. A certificate of liability is needed or a school employee needs to attend all practices. An agreement needs to be signed by all responsible parties. A rental fee may be included.

Leaving School Grounds

Children are *not permitted* to leave the school or playground before the regular dismissal time unless permission has been given by the principal or their designee. If students leave the school grounds without permission, the school resource officer may be called. Bus students are to remain on the school grounds until bus pickup time. For safety reasons, if a child is to eat lunch at a place other than at home or school, *verbal/written* notice from the parent to the principal should be given *before* lunch.

Lost & Found

An area for lost and found articles is kept at school. Please look in this area when you visit school, as many children do not easily recognize their own clothing. Please mark boots and coats when possible. Articles not claimed after a period of time are given to charitable organizations.

Messages

When coming to school to pick up your child, give a message, or deliver school items *please stop at the office*. This will eliminate the unnecessary disruption of classes.

Money

Students are *discouraged* from bringing money to school other than for school related purposes.

Party Invitations

Invitations to private parties, May baskets, Valentines, etc., should be sent to school for distribution only when *all children* in the classroom are included.

Play Equipment / Toys

Personal playground equipment brought to school from home is *not allowed*. The district is not responsible for lost or stolen personal property brought to school.

Students should refrain from bringing video games and toys to school. They can often be misplaced and lost. The school is not responsible for lost or stolen toys or video games that are brought to school.

Room Parties

A short period of time is set aside for room parties on Halloween, the last day of school prior to Christmas vacation, and on Valentine's Day. If parents wish to send a treat on those days or for a child's birthday, arrangements should be made with the teacher.

Safety Rules

The safety of our students continues to be of utmost importance at Madison Elementary and throughout the Huron District.

To ensure the safety of your child and others, please follow these simple rules:

1. Do not park your car on the east side of the street (yellow curb) during morning drop off and afternoon pick up. The School Resource Officer has informed us that stopping to let your child off in the crosswalk is the same as parking/blocking a cross walk and considered a violation that can be ticketed.
2. If you need to go into the school during this time, park in the designated area across from the school or on the west side of the street.
3. Do not park or stop your vehicle in the areas designated for handicap parking (blue curb). There are both parents and students who need to utilize the designated parking.
4. Please have your child ready to get out of the car when dropping off.
5. **All students are to cross in the cross walks.**
6. When picking up, do not wave to your child to cross the street. Please take time to get your child safely to and from your vehicle.

Monthly safety checks are done by the Police Department to assure that these steps for student safety are being followed and that all of our students are safe.

School Pictures

School pictures are taken during the early part of the school year. A letter of explanation will be sent home prior to pictures being taken. The purchase of the pictures is voluntary.

Telephone Usage at School

Children must have permission from their teacher or principal to use the school telephone. Each classroom has a telephone.

The telephone call must concern illness or school business. Asking permission to play at a friend's house after school is *not* considered business. Special transportation after school should be arranged before the child leaves for school in the morning. (A note or phone call from home is important to communicate the special transportation arrangement.)

Video Policy

In accordance with federal copyright law, the Huron School District 2-2 has adopted a video policy, which prevents classrooms from showing home videos without classroom instructional purposes. *If you have questions, concerning this policy please call your principal or the curriculum office at 353-6992.*

Visiting School

Parents are invited and encouraged to visit school. A telephone call to the office or a note to the principal prior to a visitation is appreciated. However, it is **not advisable** to visit at these times:

- ◆ when the regular teacher is absent;
- ◆ when a student teacher is teaching the class;
- ◆ the day before or after a vacation period;
- ◆ on a special day, such as Halloween or party days;
- ◆ the first or last week of school.

Children visiting school must always be accompanied by an adult!

Weather Related Announcements

KIJV and KOKK will announce school closings during inclement weather. Parents are encouraged to check the “Closeline” on KELOLAND for school cancellations/delays. There is a link on our district webpage. AlertNow system will call all students with this information as well.

When school is in session but the weather is extremely cold or wet, children will be asked to come into the building before the regular time.

Board policy forbids the bringing of weapons (a weapon is defined as any firearm, knife, or device, instrument, material, or substance whether animate or inanimate, which is calculated or designed to threaten, do bodily harm, or inflict death) to school or school-sponsored activities. When weapons are taken from students, parents will be notified. Confiscation of weapons may be reported to the police. The intent of the actions of the students will be considered in any report to the police. Appropriate disciplinary and/or legal action shall be pursued by the building principal.

Exceptions would be weapons under the control of law enforcement personnel, starting guns while in use at athletic events, firearms or air guns at the fire ranges, gun shows, and supervised school training sessions for use of firearms.

ZPass

The ZPass is **required** for every student kindergarten through fifth grade that utilizes the school bus for transportation. The only exception to this is if the parent(s) has signed a Waiver of Liability and Hold Harmless Transportation Agreement.

It is **mandatory** for every student to scan their ZPass **every time that they get on and off of all buses**. Failure to comply with this rule will result in the following consequences:

- 1st conduct = warning
- 2nd conduct = 1 day suspended from the bus
- 3rd conduct = 2 days suspended from the bus
- 4th conduct = 3 days suspended from the bus
- 5th conduct = 4 days suspended from the bus

Keeping track of the issued ZPass is the responsibility of the student. Any student needing a replacement ZPass should **immediately** notify their bus driver and the school office. The cost for a replacement ZPass is \$5.
