Superintendent Steinhoff,

I am writing to formally resign from my position as the High School Theater Department's Technical Director at Huron High School, effective at the end of this school year on May 17th, 2024.

It is with mixed emotions that I tender my resignation. Working with the students at HHS has been an incredibly rewarding experience, and I have appreciated the opportunity to contribute to the growth and success of the theater department over the past two years. I am proud of the accomplishments we have achieved together, including the inventive technical components in each of our shows and the technical superior we received at this past year's State One Act Festival.

However, after much consideration, I have decided that it is time for me to pursue new challenges and opportunities in my career. I am grateful for the support and guidance provided by the administration, faculty, and students during my time in this position, and I am confident that the theater department will continue to thrive in my absence.

I am committed to ensuring a smooth finish to the year, and will work diligently to complete the Spring Play and any other end-of-the-year requirements of the position. Thank you once again for the opportunity to serve as the Technical Director for HHS. I wish the theater department, and all its members continued success in the future.

Sincerely,

Claire Gilbert

Please accept this letter as my formal notice of resignation. I will not be returning to Huron Middle School for the 2024-2025 school year. I have accepted a position in Sioux Falls that is closer to family. Thank you for the opportunity to work at HMS. It has been very rewarding and helped me grow professionally as an educator.
