# General Information

**\*Please be aware:**

**The reciprocity agreement between SD and MN will no longer be available for students starting academic year 2024–2025.\***

The reciprocity agreement between SD and MN is not being renewed for academic year 2024 – 2025 and will begin winding down for students currently enrolled under the agreement. For students currently enrolled under the existing reciprocity agreement, the process for setting reciprocal rates will remain in effect as they work towards completion of their degree(s). New MN students enrolling at one of South Dakota's public universities starting in Summer 2024 will receive the in-state SD rate, which is a cheaper rate than they would have received under the MN reciprocity agreement. New SD students looking to enroll at an institution in MN starting in Fall 2024 will be charged the rate set by MN for those students. SD has no part in setting rates for SD students attending MN institutions.
