ATHLETIC PHYSICALS

**Please Note: The Activities Director's Office is located at the
Huron Arena, 605-353-6970
150-5th Street SW**

All students (Grades 7-12) participating in the athletic program must have a physical examination. Physicals are valid for three years from date taken unless noted by health care provider. Students new to the Huron District are required to obtain this triennial (3-year) physical from their physician. A rotation of physicals was established so that each year incoming 7th and 10th graders are in line to need physicals. If a student suffered a concussion in the previous school year, an ImPACT test is required regardless of when the previous test was taken.

The physical forms and pre-participation permit forms can be picked up in the Activities Office in the Huron Arena or the High School or Middle School offices. This form must be completed and taken to a local clinic where the physical is being taken. The local clinics have the physical forms. After the physical is completed, both the pre-participation form and the physical form can be turned in at the Activities Office in the Arena.

Athletes in grades 9-12 must also take the ImPACT Test. Also, middle school athletes who plan to participate in football, soccer, wrestling, cheer/dance and gymnastics must also take the ImPACT test prior to the start of the season. The ImPACT test baseline is good for two years. The test will take 30-40 minutes.

All paperwork, physicals, and ImPACT testing must be completed and turned in prior to the start of practice.

ECAC

School Bus Video Camera Policy

Use of Video Cameras on School Buses

The goal of the Huron school district is for every student to have a safe, comfortable, and orderly ride to and from school. In order to promote appropriate behavior while riding buses, students are required to conform to certain guidelines for riding the bus as established by the administration in coordination with the transportation coordinator. Video/audio monitoring provides an additional method to further ensure the safety and security of students relating to timely and appropriate corrective action for violations of bus regulations. The district will utilize video cameras in school buses as a management tool for students, and as an educational tool to enhance the performance of drivers.

REGISTRATION

ELEMENTARY:

Elementary students attending the Huron Public Schools will register for school on Monday, August 5th and Tuesday, August 6th (between 9:00 a.m. – 3:00 p.m.) at their respective schools.

Newcomers to a district should register at the school serving their child's grade level. **Birth certificates and immunization records are required** by State Law for all students **new to the Huron district**.

Parents who have not registered their child(ren) are asked to contact their building principal as soon as possible.

KINDERGARTEN:

By State Law, children **must be five years of age on or before September 1** before they can enter kindergarten. State Law requires that an original, certified copy of the birth certificate must be presented at the time of enrollment. A copy must be provided for the child's school file.

COLONY SCHOOLS: Huron and Riverside Colony students, grades 1-8 will report to their respective schools on August 20th.

MIDDLE SCHOOL:

Students **new** to the school district should contact the middle school principal's office immediately if they have not already registered. (7:30 AM – 4:00 PM) 1045 18th St. SW (605-353-6900)

Note: Student school pictures for **6th, 7th, and 8th grades** will be taken during the school day on September 4th with retakes on October 9th.

SPECIAL EDUCATION: Each school district in South Dakota is to develop and utilize a system for identifying, locating, and evaluating children in need of special education or special education and related services. The system must include all children residing within the jurisdiction of the district who are ages birth through 21 years regardless of the severity of their disability, including children in all public and private agencies, and institutions, private schools, including religious schools, and children receiving alternative instruction under SDCL 13-27-3 within the legal boundaries of the district. It should be noted that the collection and use of this information/data is kept confidential as required in SDCL 14:05:29.

In order to identify, locate, and evaluate any children, birth through 21 years of age, this notice is being published as part of the Huron Public Schools **Child Identification Process**. Anyone interested in more information about the identification process should call the office of special services, 605-353-6997.

All students who were enrolled in special education programs during the 2023-2024 school year and plan to return to the Huron Public Schools must register at their respective schools according to the dates identified earlier in this article. Any NEW STUDENTS to the district who have been identified as in need of special education services in their previous school district should also enroll at their respective schools.

Transportation will be provided for students receiving special education that were deemed eligible for transportation according to documentation in their Individual Education Plan (IEP). If parents/guardians have any questions about transportation, they should call the special services office (605-353-6997) at the time their child registers in August.

MEDICAL INFORMATION NEEDED: South Dakota State Law mandates that students who are not immunized must be excluded from attending school until the immunization records are complete. The records must include current and up-to-date immunizations/vaccinations for **polio, tetanus, measles, diphtheria, whooping cough, and chicken-pox**. Upon recommendation from the Department of Health, the school immunization requirement has been changed to require all school-age children (K-12) to receive 2 doses of MMR (measles-mumps-rubella) beginning with the 1997-98 school year. Students who started first grade during or after the 1993-94 school year were required to have 2 doses of MMR at the time of kindergarten entry and will not need any further immunizations. A physical examination report from the family physician is requested.

BIRTH CERTIFICATE REQUIREMENTS: State Law requires that an original, certified copy of the birth certificate must be presented within 30 days of enrollment in the public schools. If a copy of the birth certificate is deemed unattainable, an affidavit in lieu of the birth certificate may be submitted.

INCLEMENT WEATHER

- The Huron Board of Education has appointed the superintendent – and in his absence his designee, to determine when school is called off, the start is delayed, or students are sent home early due to inclement weather. The following steps will be followed:
 - The staff will receive an e-mail.
 - A message will be placed on the Superintendent’s Facebook Page “Huron #2-2 Supt” and on Twitter @HuronSDSchools
 - All Performance Radio stations will be notified – usually will broadcast based on above Tweet.
 - Television stations notified include KELOLAND and Dakota News Now.
 - An announcement will be placed on “Campus Messenger” call system.

- The ultimate decision as to whether or not an individual student goes to school during inclement weather is the responsibility of the parent. If the parent decides weather conditions are such that the child should not go to school, a note to the principal will excuse the child for the time missed; however, the absence will still be counted.

- In the rare event that school is in operation and the buses do not operate in the rural area, the teachers and administrators realize that rural students are absent not because of their choosing and that school work and related activities shall be governed by that fact.

The Huron school district will not discriminate in any of its policies and programs on the basis of age, race, color, creed, national origin, ancestry, religion, sex, marital status, or disability, and will not violate any provisions of applicable federal programs, statutes or regulations (e.g., Title IX, Title I, Rehabilitations Act, Americans with Disabilities [ADA], Section 504).

If anyone feels that he/she is being discriminated against on the basis of sex, this individual should feel free to contact Linda Pietz, Title IX coordinator, for the Huron School District. The Title IX Coordinator may be contacted in writing in care of the Huron Public Schools/PO Box 949, or by phone at 605-353-6992.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."
