

SCHOOL-PARENT COMPACT

Washington School, and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) (participating children), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.

School Responsibilities

Washington School will:

- 1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards as follows:**

All staff will be highly qualified. Para educators will be under the direct supervision of highly qualified teachers. Ongoing professional development opportunities will be available for all staff. South Dakota State Standards are followed to guide instruction for student achievement. These are located on the Huron School District website, as well as in the classrooms and Title I lab. A safe and caring learning environment will be provided to help the students meet these standards.

- 2. Hold parent-teacher conferences (at least annually in elementary schools) during which this compact will be discussed as it relates to the individual child's achievement.**

Conferences will be held in the fall and spring. They will be scheduled at various times to accommodate the parents. Telephone conferences may take place if necessary. In-home conferences between teachers and parents may be arranged as needed.

- 3. Provide parents with frequent reports on their children's progress.** Specifically, the school will provide reports as follows:

The Huron District Report Card to Parents is distributed annually. Newspaper articles, reports to teacher conferences, quarterly progress reports and midterm grades are given to parents to inform them of their children's progress.

- 4. Provide parents reasonable access to staff.**

May arrange school meetings at a variety of times, or conduct in-home or telephone conferences between teachers or other educators, who work directly with children.

- 5. Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities, as follows:**

Parents are invited and encouraged to volunteer and participate in their child's class or to observe in the classroom. The invitation is extended at the Open House held in the fall, and parents are reminded they are always welcome to take part in their children's education.
