Dear Terry,

After much prayer, thought, and consideration, I have decided to resign as the Head Competitive Cheer/Assistant Competitive Dance Coach for Huron High School. This is a very bittersweet conclusion for me to come to as I absolutely love coaching these sports. It's incredibly hard for me to hang my hat up on a program I have put so much time and effort into, but I feel my life's focus needs to move to fit the needs of my family.

I would like to thank you and the Huron School District for allowing me to be in such a rewarding position for the past 8 years. As a Huron transplant 9 years ago, it wasn't until I started coaching, that I really felt I had a place in Huron. I feel the Huron School District does a fabulous job of supporting its coaches, and Tiger Nation as a whole is second to none. Eight seasons of coaching and three children later for me, I have simply decided that my kids need more of my time and attention.

Again, thank you so much for the opportunity. I want nothing but the best for the competitive cheer and dance program in Huron.

Sincerely,

Briana Heuston

Re: Summer Nutrition Program

Date: January 5, 2018

We request permission to operate a summer nutrition program at the Middle School commons and to begin a summer mobile nutrition program making three stops in three Huron City parks. The mobile sites in Huron City parks would be Splash Central, Winter Park, and Prospect Park.

All sites will serve lunch Monday through Friday from June 4 through August 3 for a total of 45 days.

At any site, lunch would be available to any child 1 to 18 years of age FREE. No paperwork needed, just come and eat at the Middle School or at one of the city parks. Supervision will be provided at all the summer sites during serving time and for 15 minutes after serving time ends.

We request to pay the wages listed below.

Proposed Wages

MS Helpers/Mobile Servers & Supervisors	\$14.00
Cook/POS cashier	\$16.06
Team Leader	\$16.61

We are excited to offer the two programs this summer and hope it allows more children to participate without having to travel to the Middle School site. The Middle School site will offer hot lunch meals while the mobile sites will offer cold lunch meals.

Thank you for your support of our summer nutrition programs.

Dear Members of the School Board,

It is my wish to begin a club account for the Huron Schools Orchestras. The club would be simply named Huron Tigers Orchestra. Its purpose is to provide a convenient means for students to purchase their own orchestra supplies that I would keep on hand for them such as strings, rosin, shoulder rests, bridges, and any other smaller items, without depleting the supplies and resources of the music department. Students will then be able to avoid the inconvenience and delay of traveling to Sioux Falls or Aberdeen or ordering questionable supplies online.

Thank you for your consideration.

Sincerely,

Mia Kruse

Classified Employee of the Month January 2018

The staff of the Madison 2-3 Center would like to nominate Karen Ford, General Education Para, for the Classified Employee of the Month. Karen is a hard worker and a team player. Below are some of the things Karen's co-workers wrote about her:

- Karen is a pleasure to work with. She has a pleasant personality and is always ready to help whoever asks. She is good with the kids and has good ideas and resources to help the kids learn. She is a valuable employee, educator and co-worker.
- Karen is an amazing person. She helps everyone who needs help, no matter what job it is. She always makes popcorn for everyone on Fridays, and even does it on Thursday's if she's going to be gone Friday! She is a true caretaker of all.
- Karen goes above & beyond her assigned duties. She takes care of so many little things around the building that makes everything run smoothly. She pitches in and helps out without being asked. She is a true asset to Madison school.
- Karen does so much to make Madison school feel connected and that we are all in this together.
- Karen is a constant motion from the time she arrives at 7:30 to supervise the early arrivers until 3:30 or later when the last student is picked up. She willingly prepares materials for teachers and plans SIPPS lessons. Karen is truly a team player and an asset to our school.
- Karen is very dedicated to her job and the children. She is the go-to gal on all the office machines and supplies.
- Karen is kind, considerate and very hard working. She never sits down – always on the go! She always has a smile to greet the students and staff.
- Karen is extremely loyal to the district. She is one of the hardest working people known. She is dedicated to her position.

We all enjoy Karen and are extremely grateful to have her with us at the Madison 2-3 Center. "Thank you" Karen!

RE: McKinley Road Construction

The State of South Dakota is planning to reconstruct and widen Hwy 37/Dakota Avenue North that is on the east side of McKinley. This has been in the planning stages for the past couple of years. Bidding on the project now is scheduled for October, 2018 with construction to follow.

Right now there is a row of mature trees in the highway right of way (ROW) between the school and the road. The sidewalk is on the school's property between the building and the ROW. So the sidewalk is on private property, owned and maintained by the school.

The State has come to us asking for four things.

1. A ROW agreement including a temporary easement, permanent easement, and a warranty deed.
2. A temporary easement granting them room to work on the corner of 7th St. NW and Dakota Avenue North. The space they are asking for is 32 square feet.
3. A permanent easement granting them permanent right to the strip of land the sidewalk is currently on. The sidewalk and the future upkeep of the sidewalk would become their responsibility. The reason for this request is to save the trees in the ROW. The space they are asking for is about 262 feet long and 16 feet wide; and is about 4,169 square feet.

4. A warranty deed conveying them a little bit of property on the corner of 7th St. NW and Dakota Avenue North so that the corner may be made less of a sharp turn. The space they are asking for is 31 square feet.

The State would like the school to agree to all of this for compensation of \$1.00. The State says many times local governments will work with them \$1.00. If not, they are offering \$10,505 for the school to agree to their offer.
