Re: Resignation

Dear Mr. Nebelsick,

It is with mixed emotions that I write this letter to share I have verbally accepted a position with the Brandon Valley School District. Pending board approval of my new contract, June 30th will conclude my service as Director of Instruction for the Huron School District.

I want to take this opportunity to thank the Huron School District administrative team (past and present) for providing me with numerous opportunities to grow professionally; hiring me for my first teaching job, allowing me to pilot the district's first instructional coaching position, appointing me to be the first marketing director, and most recently giving me the opportunity to serve as a district administrator.

Over the last 24 years, I have been fortunate to work alongside wonderfully dedicated educators who strive daily to develop their craft and truly love all children. It is because of their hard work and dedication, this school district has accomplished so much. I am proud to say both of our daughters are K-12 products of Huron Schools and my husband and I would like to personally thank their teachers for the many roles they played in helping shape our girls into remarkable and intelligent young ladies.

The Huron School District will always hold a special place in my heart. I look forward to hearing many good things about this district in the years ahead and I wish you all the very best.

Sincerely,
