## **Permission for MS students to use HS library materials**

On an individual basis, 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grade students may need to check out material from the high school library to coincide with the individual student's lexile reading level. These books have been screened for a high school library, and may contain language, violence, relationship, and other subject matter that is not age-appropriate for middle school children. Therefore, they will only be checked out with written permission from their parent/guardian, the high school librarian, the middle school principal, and the director of instruction. These permission forms will be kept on file at the high school library. See next page for permission form.

## Huron High School Library Permission Form

By signing this form, I give my child permission to check out books from the Huron High School Library. I understand that these books have been screened for a high school library; and may contain language, violence, relationship, and other subject matter that is not age-appropriate for middle school children.
