Dear Mr. Rotert,

Please accept this letter as my notice of my resignation as a volleyball coach. This last year while enjoyable was also very difficult for my. Some of my teaching responsibilities have also increased and I feel I am not able to do justice to both teaching and coaching at this time.

It has been rewarding working as a coach and I feel blessed to have been given the opportunity.

Sincerely,

Samantha Kruse

Dear Heather Rozell,

Thank you for the opportunity to work as the Madison 2/3 Intervention Coach for the last few years. I have truly enjoyed this position. After much thought, I have decided it is time for me to retire from this position to spend more time with my parents, grandchildren, sons, and siblings, and to just learn to enjoy this new adventure. Life is precious and each day is a blessing.

Thank you,

Sincerely,

RE: Concession Pricing for Hot Buttered Popcorn

I am requesting pricing to sell hot buttered popcorn at our concessions. I would like to begin soon with your approval.

Our current regular boxed popcorn is approximately 5 cups and sells for \$1.25 per box.

I propose serving two buttered sizes, small bag (85 oz. - approximately 10 cups) for \$4.00 and a large bag (170 oz. - approximately 25 cups) for \$6.00.

Thank you for your consideration.

RE: School Bus Bids

We opened bids for 2 new school buses on February 12. Two bids were received for each bus and a bid tabulation is attached.

In regards to the bids on Unit #1, a 77 passenger bus seated 71 passengers, there is a \$5,042.37 price difference. This is our first time specifying a collision avoidance system. The lower priced bus does not come with a collision avoidance system. The higher priced bus has a collision avoidance system that is actually more of a collision warning system. If the system detects something is front of the bus a light will flash, an alarm will sound, and the driver's seat will vibrate. The system does not actively apply the brakes. This option adds about \$1200 to the cost of the bus. Our recommendation is to accept the low bid from Harlow's in the amount of \$86,457.63 and waive the requirement for a collision avoidance system.

In regards to the bids on Unit #2, a 59 passenger bus seated for 30 plus space for 3 wheelchairs, we recommend accepting the low bid from I State Truck Center in the amount of \$94,500. They are providing a 65 passenger chassis for added space. This bus will have the collision avoidance system as described earlier. We will evaluate the system and see if we should specify it in the years to come.

These buses will be partially paid for using the Clean Diesel grants received that total approximately \$45,000.
