The purpose of the meeting was to update the School Board, staff, and community with the planning taking place for COVID-19. The school is providing two essential services at this time in addition to the distance education effort that is on-going. The essential services are an emergency child care program for healthcare workers and other first responders as well as a grab and go mobile feeding program at 4 locations.

Superintendent Nebelsick and Business Manager Christopherson discussed plans for moving forward and the plan's effect on all classes of employees. The School Board's consensus was to move ahead with the plan and implement it beginning Monday morning, March 30, 2020. No official action was taken on the preliminary plan.

The School Board has another meeting scheduled for Monday, March 30, 2020 at 5:30 p.m. to take another look at the plan in detail and possibly take official action.

Motion by Wheeler, second by Lee, and unanimously approved to adjourn at 2:45 p.m. Roll call vote: Siemonsma – Yes; Lee – Yes; Wheeler – Yes; Van Berkum – Yes; and Bischoff – Yes.
