

# HMS Parent Advisory

**Our goals for the year are pretty simple:**

1. Encourage school spirit and involvement
2. Assist in ensuring **all students have the opportunity to participate in school activities and events.**
3. Raise enough money to provide funding for assemblies, and extra supplies for staff and classrooms

**You can help in several ways:**

1. Volunteer to help with projects and/or fundraisers
2. Donate money to Parent Advisory in lieu of participating in fundraising
3. Sign up with the HMS Listserv to receive information about events

**Every parent is invited to attend our monthly meetings.**

If you can't make it to a meeting but have a concern or want to help with a project, email one of the officers or let the office staff know.
