Our brand identity is the face and personality we present to the community. The purpose of these guidelines is to explain the use of the new Huron School District brand and to reinforce consistent application of the visual elements in all communications. Guidelines on the use of the logos, brand colors and typefaces are included.

Our logos are important and valued graphic elements, and must be used consistently and appropriately. Even minor variations will undermine and compromise the image of the branding.

By following these guidelines, the materials created will represent our brand cohesively to the outside world, and reinforce the school's dedication to RESPECT, PRIDE AND EXCELLENCE FOR ALL.

HURON SCHOOL DISTRICT LOGO & BRANDING IDENTITY POLICY

Notification/Download Files

Because the success of our branding identity program depends on consistency, we ask that you use the attached form to notify the Office of the Superintendent of any proposed usage. The approval form must be completed by all parties applying to merchandise, school items or miscellaneous program materials.

The attached guidelines have been developed to provide clarification on the appropriate use of the Huron School District brand.

Huron School District Branding Guidelines

The Huron School District Brand makes an important first visual impression of what the Huron Tigers stand for. The logos, colors, and name instantly identify that a communication or material is from, or part of, the school. The thoughtful use of the logos and our name reinforces and strengthens the school's image with every use. In addition, a logo is considered a primary, albeit intangible, asset of the school and can be attributed a value that proper use will enhance and increase. The logo and name, and what they appear upon, is as important as our actions and our words. Their use should always be consistent with the mission and image of the school.

Property Rights

The use of the name, logos, logo marks, brand colors, and brand typefaces of the Huron School District or the names of any of its staff, students, or organizations is considered the property of the Huron School District. To publish this information on internal or external correspondence in any manner, including a website, is in violation of this policy. Prior approval is required for all vendors, students, staff, and administrators by the Office of the Superintendent before the use of the above-mentioned information.

Required Use

Authorized logos, logo marks, brand colors and brand typefaces in this Branding Guide are required to be used in all publications, on apparel, uniforms, digital media, buildings, equipment or anything else affiliated with school operations. Any unauthorized logos, logo marks, brand colors and brand typefaces are prohibited in all aforementioned uses and may be subject to a \$500 fine.
